# 2019 ECUPL SUMMER SCHOOL

*A Full-Scholarship Program to Learn & Explore in Shanghai!*

The East China University of Political Science and Law (ECUPL), boasting a **Top 5** Law Institution in China, started to offer English taught Summer School programs from 1980s to provide law students from around the world the opportunity to develop a preliminary understanding of the theory and practice of Chinese legal system, Chinese society and legal culture. This year, we plan to invite participants from our partner institutions to join us on a **Full Scholarship** basis - take intensive courses on Chinese legal system, pay visits to local law institutions and immerse in various aspects of Chinese culture during the three weeks in Shanghai. At the end of the program, a **certificate** of participation is awarded to participants who successfully complete program requirements.
