

## FINANCIAL UNIVERSITY MOSCOW

(<https://en.fa.ru/international/incoming-students/>)

*Dear international students,*

*We would like to encourage you to participate in student exchange program at Financial University under the Government of the Russian Federation, one of the leading Universities in the field of Economics and Finance in Russia. Study in our University will give you remarkable experience to get to know the Russian high education system and will provide opportunity to know more about Russian culture and traditions.*

*We are looking forward to see you in Moscow!*

### **How to become an exchange student at Financial University:**

Student needs to address to the International Office of Home University to check out whether it has an academic exchange agreement with Financial University. Home University coordinator considers the student to be nominated on the exchange program in Financial University and contacts coordinator of International Office in Financial University.

International Office of Home University issues the Nomination Certificate for the exchange student and sends it to the mobility coordinator of Financial University.

The academic year at Financial University starts on September, 1st and ends at the end of June.
