## CONTEMPORARY CHALLENGES OF INTERNATIONAL ENVIRONMENTAL LAW CONFERENCE

DECEMBER 7 - 8, 2020

LJUBLJANA, SLOVENIA

**VIRTUAL AND FREE OF CHARGE**

The Faculty of Law, University of Ljubljana in organizing on December 7 and 8, 2020, the Fourth conference in the series of international interdisciplinary scientific environmental law conferences. The conference is set up as an interdisciplinary debate between environmental scientists and legal experts and thus offers a forum for debate and innovative thinking in search of new international environmental law solutions. The intention of the conference is to maintain a platform for discussions on international environmental law, as these issues are seldom addressed and answered in such a comprehensive and interdisciplinary manner.

Introductory lecture will be held by **Professor Dr Danilo Türk**, President of the World Leadership Alliance - Club de Madrid and Chairman of the Global High-level Panel on Water and Peace: **World Politics on Environment**

### Other topics address at the conference:

- Panel 1: Environment, Human Rights and Rights of Nature
- Panel 2: Environmental Domestic and International Litigation
- Panel 3: Climate Change Law Developments
- Panel 4: Biodiversity Protection
- Panel 5: International Investment Protection and Environmental Regulation
- Panel 6: Selected Issues of Environmental Protection
- Panel 7: Environment and Armed Conflict
