Studies in France

World class education

Classement Shanghai 2021	Times Higher Education 2022
13 ^e Université Paris-Saclay	40 ^e Université PSL
35 ^e Sorbonne Université	88 ^e Sorbonne Université
38 ^e Université PSL	91 ^e Institut Polytechnique de Paris
La France 3 ^e au classement de Shanghai en nombre d'établissements dans le top 50, après les États-Unis et le Royaume-Uni.	La France est 7 ^e du classement mondial THE 2022, avec 39 universités classées.

Center for World University Rankings 2021	Classement du Financial Times Management 2021
21 ^e Université PSL	2 ^e HEC Paris
32 ^e Université Paris-Saclay	6 ^e ESSEC
36 ^e Sorbonne Université	7 ^e ESCP
Le nombre d'établissements français dans le top 50 est passé d'un à cinq depuis la création du CWUR en 2012.	Le top 5 mondial des masters de Finance est 100 % français (HEC Paris, ESCP, SKEMA, ESSEC et EDHEC).

France is ranked 3rd in the world in the Shanghai ranking.

In 2022, the Financial Times' top 5 masters in finance are 100% French.

The University Paris-Saclay is ranked 3rd for mathematics, and 9th in physics

500 Institutions

Search a university

World Rank	Institution	Country/Region	Total Score	Q1
1	 University of Oxford		280.4	92.7
2	 University of Minnesota, Twin Cities		276.7	81.0
3	 University of Montpellier		275.7	100.0

Montpellier University is ranked 3rd for **ecology**

Grenobles Alpes University is ranked 24th for **earth sciences**, and the Toulouse University is ranked 28th

Strasbourg University is ranked 41st for **chemistry**

Applying and enrolling

The individual enrolment

For a first year of bachelor:

To be noted: Some institutions do not yet offer their courses on Parcoursup. In this case, contact the institution directly to find out about the registration procedures.

From the second year of the bachelor's degree, master's degree and doctorate:

- No particular procedure: contact the institution directly
- Consult the Campus France catalogues to find a course
- To increase your chances of admission, **it is recommended that you apply to at least three different institutions**
- Responses are usually sent to applicants between 15 June and 15 September for a start in September/October of the same year

Applying and enrolling

Erasmus Programme

Prerequisites

- Be enrolled at a Slovenian university
- 1 Erasmus per study cycle (1 or 2 semesters)
- French level B1 - B2

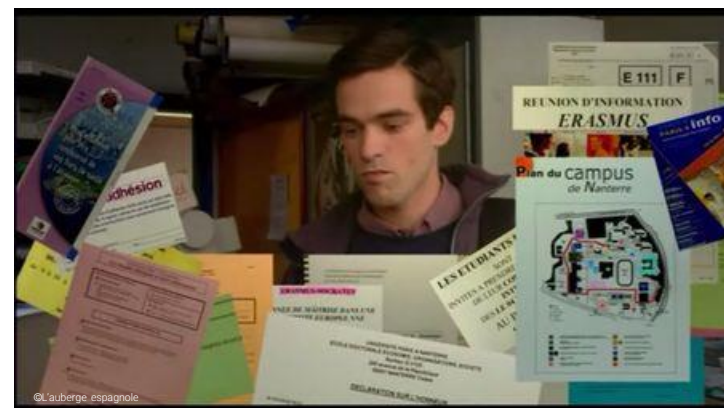

Application

International Relations Office

In the second semester for the first semester, in the first semester (or earlier) for the second semester

Co-funded by the
Erasmus+ Programme
of the European Union

Applying and enrolling

Tuition fees

The cost of studying in France **is one of the lowest in the world.**
European students pay the same tuition fees as French students.

University	
Bachelor	170€/year
Master	243€/year
Doctorate	380€/year

"Grandes Écoles" (Top Schools)	
Engineering schools	601 € in public schools aprox. 6 500€ in private schools
Business schools	6 000-15 000€/year
Other schools	0-5 000€/year

Art schools	
Public schools	0-800€/year
Private schools	1 000-20 000€/year
Schools of architecture	Starting from 369€/year

Applying and enrolling

The language level required

A **B1 or B2 level** in French is generally required **for studies in French** at Bachelor and Master levels. Some institutions may require a C1 or C2 level. Foreign students must present a document attesting to their level in French (DELF, DALF, TCF or TEF).

For courses in English, **mastery of French is not required**, but mastery of English is.

How to learn French?

- **At the French Institute of Slovenia:** French classes (A1-C1) + certifications (DELF-DALF)
- On the internet : TV5 Monde, RFI Savoirs, Association française pour la formation des adultes, Online Linguistic Support (Erasmus+), AnkiApp

Learn French in France:

- Catalogue of summer schools and short programs

Applying and enrolling

Programmes in cooperation with the Faculty of law

- **Summer University of French and European Law** organized by the faculty of law of Ljubljana and the faculty of law from Poitiers
 - 22nd – 26th of August 2022
 - « La guerre en Ukraine au prisme du droit international, ce que dit le droit, ce que peut le droit » & « Les techniques de transmission du patrimoine »

Applying and enrolling

Concrete examples

Tanja is a Slovenian high school senior. She learned French during her studies and has a B2 level. She would like to study languages in France at university for her first year of bachelor.

- **November - January** : Get information about universities, programmes and cities of study using the resources of Campus France.
- **January - April** : Registration on the Parcoursup platform, choice of universities, filling in applications.
- **June** : Admission replies from universities.
- **June – September** : Administrative procedures (registration at the university, housing, social security, travel to France...).

For students who reside in Europe but are **not nationals of a European country** : to enrol in France for the first year of a bachelor's degree programme they must submit a **Prior Admission Application (DAP)**. This must be done between October and January preceding the academic year in which they wish to begin their studies in France.

Applying and enrolling

Concrete examples

Marko is a first year Master student at the University of Ljubljana. He does not speak French, but has a C1 level in English. He wants to study finance in France in a top school for his second year of Master.

- **October - December** : Contact directly the universities or schools you are interested in, as every school has its own requirements and selection procedures.
- **Winter – Spring** : Applications and interviews.
- **June - July** : Admission replies from universities.
- **July – October** : Administrative procedures (registration at the university, housing, social security, travel to France...).

→ To enrol in a university in France from the second year of bachelor, do not hesitate to contact the universities early in the year to find out about their admission criteria and their admission calendar.

Applying and enrolling

Law program for foreign students – Panthéon Paris Assas

The University of Paris-Panthéon-Assas offers legal courses reserved for international students, the University Higher Diplomas (DSU).

- Introduction to French law (public and private)
- Tutorials in French legal methodology
- Lectures on the law of the chosen specialisation (6 existing specialisations)
- Tutorials in French language

Admission requirements

- Hold a law degree obtained in a foreign institution and judged to be at least equivalent to a **Master 1** (French master)
- Have a minimum level of **French B2** (for non-French speaking candidates)

Applications between 15 March and 14 April 2023

Applying and enrolling

Concrete examples

Barbara is a second Master student at the University of Ljubljana. She wants to obtain a **PhD in France in chemistry**.

- Identify the scientific field and the **Doctoral Schools** and research organisations concerned by this theme. Visit their website and/or the Campus France research portal to apply on the online offers or propose a subject.
- **Contact the thesis director with a research project proposal.**
- **Find funding** or check that the subject is funded. It can be funded by the doctoral school, by your national government, by a company or by the European Union.
- After agreement on the subject of the thesis, apply to the doctoral school and register.

Financing your stay

Cost of living in France

The cost of living in France is quite high, especially in Paris and the big cities.

Some examples:

- Accommodation :
 - 250€ to 650€ per month in a university residence
 - 400€ to 600€ per month in a private student residence (outside of Paris)
 - Other possibilities: private rental, shared accommodation, homestayState aid (CAF - APL/ALS): up to 260€ per month
- Food : about 300€ per month
- Meals at the university restaurant: 3,25€.
- Health :
 - Free social security coverage with the European Health Insurance Card
 - Consultation with a general practitioner: €25 (€16.50 reimbursed)
- Transportation : around 30€ per month
- Leisures (discounts for students):
 - Admission to the cinema : 5€ to 7,50€
 - Admission to the museum : 5€ to 15€, or free

Financing your stay

French Government Scholarship Program (BGF)

The French Institute of Slovenia offers French Government Scholarships:

- For Bachelor and Master levels :
- **700 € per month**, for a stay of 10 months (September 2023 - June 2024)
- Eligibility requirements: Slovenian nationality, under 30 years old, accepted in a Bachelor or Master course in a French institution
- More information [here](#)

Procedure

- **End of January 2023:** publication of the call for applications
- **End of April 2023:** deadline for applications
- May 2023: selection interviews and announcement of results.

Professional opportunities

Studying in France : an asset

France is the 6th largest economy in the world (2nd in Europe).

France has a high level of research :

- 5th country in the world in terms of domestic spending on research and development
- 42% of doctoral students registered in France are foreigners

France is a favourable environment for innovation and young entrepreneurs :

- France is the second most innovative European nation and two-thirds of research in France is conducted in the private sector

France is attractive to foreign investors :

- France is Europe's first destination for international investments in 2020

French is an international language :

- French is the world's fifth most widely spoken language in the world, and the most studied language after English
- Official language in almost 30 countries
- 3rd business language, 4th language of the internet

Studying in France can open up many professional opportunities !

Professional opportunities

Jobs

If you speak French, you can work :

- in France
- in a French company (Renault, Servier, Poclain, Decathlon...) based in Slovenia
- in a Slovenian company/organisation linked to international cooperation (Ministry, university, STA press agency, European Agencies...).

Employers generally require a B2/C1 level of French.
