However, we reserve the right to reject students if we perceive that they will not be able to successfully follow courses and exams.</p> <p>Students who intend to take courses in German or English Literature and Linguistics, and who are non-native speakers of the respective language, are expected to have a standard of proficiency at the level of C1 of the CEFR in the respective language.</p> <p>In philology courses the language of instruction is often the language of the region studied.</p> <p>The course catalogue provides more information on the language of instruction: http://www.vorlesungen.uzh.ch</p>
Language Courses	<p>Students can participate in an intensive German course that takes place two weeks before the beginning of the semester. Other courses are offered during the semester.
